Naked Lentil – compulsory question

Naked Lentil succeeds as a going concern by taking advantage of powerless and vulnerable people despite claiming that its principles value trust, human rights and social justice. Discuss this claim.

Your answer must be in the form of a smooth flowing essay style of argument, reasoning and logic. In answering the question, draw on relevant and specific ethical theories, material from your lectures, readings, issues and debates in the organisational literature.

Choose ONE from the following 3 questions:

- 1. What role do civil society organizations play in enhancing business sustainability?**
- 2. Why have corporations been increasingly involved in setting regulations for social and environmental issues and what are the main ethical challenges associated with their involvement?**
- 3. Compare and contrast the challenges posed by globalization and sustainability to business ethics thinking and practice. Which do you think will prove to be the greatest challenge?**

Your answer must be in the form of a smooth flowing essay style of argument, reasoning and logic. In answering the question, draw on relevant and specific ethical theories, material from your lectures, readings, issues and debates in the organisational literature.
